AN ACT relating to the relocation of a city in a county containing a city of the first class or a consolidated local government.

***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

1       Section 1. KRS 81.380 is amended to read as follows:

- 2       (1) Any city, located in a county containing a city of the first class or a consolidated  
3       local government, which is located within an area which is adversely affected by a  
4       public project that was initiated by a city of the first class, or by action of a joint  
5       agency of a city of the first class and its county, after June 30, 1998, or upon the  
6       expiration of the initial twelve (12) year term provided in KRS 79.310(2) of a  
7       cooperative compact which is in effect in the county pursuant to KRS 79.310 to  
8       79.330, may by ordinance relocate the corporate boundaries of the city to an  
9       unincorporated area of the county. The ordinance shall set out by metes and bounds  
10      that unincorporated area of the county where the city will be relocated. The area  
11      designated for relocation shall not exceed the acreage within the then existing  
12      boundaries of the relocating city.
- 13      (2) All financial assets and legal obligations of the city shall not be altered or  
14      interrupted by a relocation.
- 15      (3) A city of the first class or a consolidated local government shall relinquish all  
16      priority rights or any rights pursuant to the terms of a cooperative compact for  
17      annexation to that unincorporated area which is designated for the relocation of a  
18      city as provided for in subsection (1) of this section. Any priority rights or any rights  
19      pursuant to the terms of a cooperative compact for annexation which are  
20      relinquished for the relocation of a city shall then be attached in the name of the city  
21      of the first class or the consolidated local government to that area which has been  
22      abandoned by the relocating city pursuant to subsection (5) of this section. The  
23      relocating city shall forward a copy of the ordinance adopted pursuant to subsection  
24      (1) of this section to the mayor of the consolidated local government or the mayor

1 of the city of the first class and the county judge/executive of the county.

2 (4) The right of a city to relocate is in no way meant to amend any provision of the  
3 statutes which govern the formation and operation of a cooperative compact created  
4 pursuant to KRS 79.310 to 79.330.

5 (5) Upon the relocation of a city, the city clerk shall forward to the Secretary of State  
6 within one (1) year from the date of the relocation, a document listing the name of  
7 the city, the date of the relocation, the present classification of the city, and a  
8 certified copy of the ordinance adopted pursuant to subsection (1) of this section. If  
9 a city fails to comply with this subsection, it shall be barred from receiving state  
10 moneys until the city complies.

11 (6) Until ninety percent (90%) of the residential properties located within the relocating  
12 city's boundaries are acquired for the public project, the boundaries of the city shall  
13 include both the old city site and the area designated for the location of the new site  
14 of the city.

15 (7) After ninety percent (90%) of the residential properties have been acquired as set  
16 forth in subsection (6) of this section, the boundaries of the city shall no longer  
17 include the area where the city existed before relocation.

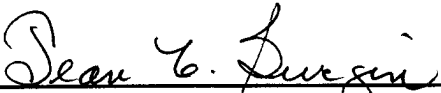

18 (8) A city that is relocating, or has been relocated, according to the provisions of this  
19 section may change the name of the city by the adoption of an ordinance by the city  
20 legislative body. Any person objecting to renaming the relocating or relocated city  
21 under this section may present a petition objecting to the renaming of the city by  
22 submitting the petition to the county clerk of the county in which the city is located.  
23 The petition shall be in the following form: "The registered voters living within  
24 (provide the name of the existing relocating or relocated city) hereby object to the  
25 question of the renaming of the city." If the petition is signed and dated by at least  
26 twenty-five percent (25%) of the registered voters residing in the relocating or  
27 relocated city, an election shall be held on the question of renaming the city. The

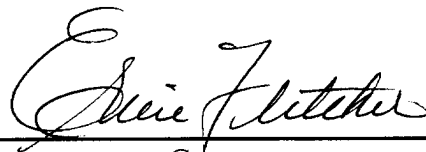

1 county clerk shall examine the petition and verify the validity of the signatures. If a  
2 petition containing at least twenty-five percent (25%) of the registered voters
